Challenge # 5 - Your own *ometz lev*

Play the game again, this time using your own character & toolbox.

- 1 Shuffle** your decks, and select a situation card and tool card.
- 2 Think** about what might happen and how you reacted after each round.
*Was that the right tool for this situation?
Why or why not?*
- 3 Play** as many rounds as you want.
- 4 Share:** Make a video (similar to week 3) in which you tell the story, explain the situation and tell us about your reaction.
 - *What Big Feelings would you have in this situation?*
 - *Which tool did you wish you had selected but didn't?*
 - *What might happen if you used a NOT ometz lev tool?*

Record a video and share it on our Flipgrid.
